**STEP 3: Additional Rollback Protection for Pollution Control**

A school district may raise its rate for M&O funds used to pay for a facility, device or method for the control of air, water or land pollution. This includes any land, structure, building, installation, excavation, machinery, equipment or device that is used, constructed, acquired or installed wholly or partly to meet or exceed pollution control requirements. The school district's expenses are those necessary to meet the requirements of a permit issued by the Texas Commission on Environmental Quality (TCEQ). The school district must provide the tax assessor with a copy of the TCEQ letter of determination that states the portion of the cost of the installation for pollution control. This step should only be completed by a school district that uses M&O funds to pay for a facility, device or method for the control of air, water or land pollution.

<b>36. Certified expenses from the Texas Commission on Environmental Quality (TCEQ).</b> <sup>7</sup> Enter the amount certified in the determination letter from TCEQ. The school district shall provide its tax assessor with a copy of the letter. <sup>8</sup>	\$0
