B. WORK RULES AND EMPLOYEE RESPONSIBILITY

1B-1 ATTENDANCE

As a San Patricio County employee you are expected to be punctual and demonstrate consistent attendance.

Each employee shall report to work on each day they are scheduled to work and at the starting time set by their supervisor unless prior approval for absence is given by the supervisor or the employee is unable to report for work because of circumstances beyond the control of the employee.

If an employee is unable to be at work at their normal reporting time, they shall be responsible for notifying their supervisor at least one (1) hour prior to the scheduled start of their shift or as soon as it is reasonably practicable in the case of an emergency.

Each employee shall remain on the job until the normal quitting time established by the supervisor unless permission to leave early is given by the supervisor.

Each supervisor is responsible for determining if an unscheduled absence or tardiness is to be classified as excused or unexcused, based on the circumstances causing the absence or tardiness.

Frequent unexcused absences or tardiness, as determined by your immediate supervisor, may make an employee subject to disciplinary measures, up to and including termination of employment.

An employee who does not report for work for three (3) consecutive scheduled work days, and who fails to notify his or her supervisor, shall be considered to have resigned their position by abandonment.

1B-2 DRESS CODE

1B-4 CONFLICT OF INTEREST

Employees of San Patricio County shall not engage in any employment, relationship, or activity which could be viewed as a conflict of interest because of the potential or appearance of affecting the employee's job efficiency, or which would reduce his/her ability to make objective decisions in regard to his/her work and responsibility as a San Patricio County employee.

Employees involved in conflict of interest situations shall be subject to discipline, up to and including termination and these actions may have criminal consequences for employees.

Activities which constitute a conflict of interest shall include but not be limited to:

1B-5 HARASSMENT

San Patricio County is committed to a workplace free of harassment. Harassment includes unlawful, unwelcome words, acts or displays based on sex, race, color, religion, national origin, age, genetic information, pregnancy, disability, family or military leave status or veteran's status. Such conduct becomes harassment when (1) the submission to the conduct is made a condition of employment; (2) the submission to, or rejection of, the conduct is used as the basis for an employment decision; or (3) the conduct creates an offensive, intimidating or hostile working environment or interferes with work performance.

Harassment is strictly prohibited by San Patricio County whether committed by an elected official, appointed official, department head, co-worker or non-employee with whom the county does business.

Employees who feel they have been harassed should immediately report the situation to the elected or appointed official who is responsible for the department in which they work. If, for any reason, the employee feels that reporting the harassment to the department head may not be the best course of action, the report should be made to the County Judge or to the County Attorney.

Every reported complaint will be investigated promptly and thoroughly. The official or department head to which a claim has been reported shall be responsible for seeing that prompt action is taken to investigate the claim.

Once the investigation is complete, the employee making the claim shall be notified of the result of the investigation and any actions which are to be taken.

Retaliation against an employee who reports harassment or who cooperates in the investigation is prohibited by law as well as this policy. Employees who feel they have been subjected to illegal retaliation should immediately report the situation to the elected or appointed official who is responsible for the department in which they work. If, for any reason, the employee feels that reporting the retaliation to the department head may not be the best course of action, the report should be made to the County Judge or to the County Attorney.

Remedial action will be taken in accordance with the circumstances when the county determines unlawful harassment or retaliation has occurred, up to and including termination.

1B-6 SEXUAL HARASSMENT

Sexual harassment is strictly prohibited by San Patricio County, whether committed by elected official, appointed official, department head, co-worker or non-employee the county does business with. It is the policy of San Patricio County to provide a work place free from sexual harassment for all employees and to take active steps to eliminate any sexual harassment of which the County becomes aware.

Employees engaging in sexual harassment shall be subject to discipline, up to and including termination of employment. Sexual harassment shall include, but not be limited to, unwanted sexual advances, requests for sexual favors, and other verbal, non-verbal or physical conduct of a sexual nature, which includes slurs, jokes, statements, gestures, touching, pictures, emails or cartoons where: (1) the submission to such conduct is either an expressed or implied condition of employment; or (2) the submission to or rejection of such conduct is used as a basis for an employment decision affecting the harassed person; or

(3) the conduct has the purpose or effect of substantially interfering with an affected person's work performance or creating an intimidating, hostile, or offensive work environment.

All claims of sexual harassment shall be taken seriously and investigated promptly and thoroughly. While all claims of sexual harassment shall be handled with discretion, there can be no complete assurance of full confidentiality.

Employees who feel they have been sexually harassed should immediately report the situation to the elected or appointed official who is responsible for the department in which they work. If, for any reason, the employee feels that reporting the harassment to the department head may not be the best course of action, the report should be made to the County Judge.

Every reported complaint will be investigated promptly and thoroughly. The official or department head to which a claim has been reported shall be responsible for seeing that prompt action is taken to investigate the claim.

Once the investigation is complete, the employee making the claim shall be notified of the result of the investigation and any actions which are to be taken.

Use the following procedures so that your complaint maybe resolved quickly and fairly.

- a. When practical, confront the harasser and ask them to stop the unwanted behavior.
- b. Record the time, place and specifics of each incident, including any witnesses.
- c. Report continuing sexual harassment to the Elected Official or Appointed Official who is responsible for your department or to the County Judge or the County Attorney.
- d. If a thorough investigation reveals that unlawful sexual harassment has occurred, San Patricio County will take effective remedial action in accordance with the circumstances, up to and including termination.

Retaliation against an employee who reports sexual harassment or who cooperates as a witness in the investigation is prohibited by law as well as this policy.

Employees who feel they have been subjected to illegal retaliation should immediately report the situation to the elected or appointed official who is responsible for the department in which they work. If, for any reason, the employee feels that reporting the retaliation to the department head may not be the best course of action, the report should be made to the County Judge.

Reporting or failing to report claims in accordance with the procedure given in this policy shall not limit other legal recourse an employee may have in regard to sexual harassment charges.

1B-7 POLITICAL ACTIVITIES

Employees of San Patricio County shall have the right to support candidates of their choice and to engage in political activity during their personal time.

County employees shall not: 1) Use their official authority or influence to interfere with or affect the result of any election or nomination for office; 2) Directly or indirectly coerce, attempt to coerce, command, or advise another person to pay, lend, or contribute anything of value to a party, committee, organization, agency, or person for a political reason; or 3) Use any equipment, property or material owned by the County for political activity or engage in political activity while on duty for the County.

1B-8 OUTSIDE EMPLOYMENT

San Patricio County employees are expected to give their full and undivided attention to their job duties. They should not use San Patricio County facilities or equipment or their association with San Patricio County to carry on a private business or profession. Unless express approval is obtained in advance and in writing from their immediate supervisor, county employees should not engage in a profit-making business nor become involved with a non-profit organization outside of their employment with San Patricio County that interferes with the employee's assigned duties with San Patricio County.

1B-9 BREAKS

The Patient Protection and Affordable Care Act amended the Fair Labor Standards Act to require reasonable breaks for nursing mothers to express breast milk. The Texas Right to Express Breast Milk in the Workplace Act also imposes duties on public employers and, under other state law, is applicable for the duration of a nursing mother's need to express breast milk. San Patricio County supports the practice of expressing breast milk.

San Patricio County will provide reasonable paid breaks for a nursing mother to express breast milk. The nursing mother will be allowed whatever time is needed to express breast milk.

The County will provide the nursing mother with a private location, other than a bathroom. The location will be shielded from view and free from intrusion and

appropriate for expressing breast milk. The specific location will be determined on a case by case basis.

San Patricio County does not allow any retaliation against a nursing mother for asking for this break. Nursing mothers are entitled to this break for the duration of the time they are expressing breast milk. A reasonable accommodation will be given for the needs of employees who express breast milk. An employees of the county who needs to express breast milk may not be discriminated against.

All other employee breaks are determined by each department head and are not required to be given. If your department provides you with a break, it may not be accumulated or used for time off. The Fair Labor Standards Act does not require any breaks other than for a nursing mother; however, if paid breaks are provided for employees, a nursing mother must be given the same amount of paid break time.

1B-10 GRIEVANCES

Any employee having a grievance related to his/her job should discuss the grievance with his/her immediate supervisor.

If the discussion with the immediate supervisor does not resolve the grievance, and, if the immediate supervisor is not the elected or appointed official with final responsibility for the employee's department, the employee shall have the right to discuss the grievance with that official.

The decision of the elected or appointed official with final responsibility for the employee's department shall be final in all grievances.

1B-11 DISCIPLINE

Each supervisor shall have the authority to administer discipline to employees in their department for poor performance, violation of policies, disruptive behavior, or any other behavior or activity which the supervisor feels is not acceptable as it relates to the employee's job or the best interest of the department or County.

Depending on the severity of the situation, discipline may range from informal counseling up to and including immediate termination.

All County employees are "at will" employees and nothing in this policy gives an employee any contract of employment, guarantee of any duration of employment, or any other property interest in his/her job.

San Patricio County retains the right to terminate the employment of any individual at any time for any legal reason, or no reason, with or without notice.

The County also retains the right to change any condition, benefit, privilege, or policy of employment at any time, with or without notice.

1B-12 LICENSE AND CERTIFICATIONS

San Patricio County has many positions that require licenses and certifications. It is the responsibility of each employee to maintain all required licenses and certifications. If an employee is unable to renew or loses a license or certification, they must immediately notify their supervisor. If this license is a requirement for the position, the employee may be demoted, transferred or terminated. Under no circumstances will the employee be allowed to continue in the position where a license or certification is required if failure to have such license or certification is illegal under either Federal or State Law.

1B-13 WEATHER CLOSINGS AND EMERGENCIES

1. POLICY:

- a. As a general practice, San Patricio County does not close its operations unless the health, safety, and security of county employees are seriously brought into question. When this happens, either because of severe weather conditions or other emergencies, the County Judge is responsible for initiating the closing.
- b. The County Judge will notify the following entities for a public announcement: local newspaper, local news stations, and applicable Independent School District. Announcements of an emergency closing will, to the extent possible, specify the starting and ending times of the closing.
- c. Many of our county departments must continuously operate to provide public safety and necessary services. Therefore, Essential Employees are those county personnel, both exempt and non-exempt, that are required to work during emergency closings (here after "Essential Employees"). By May 1st of each year, all Elected Officials and department heads are responsible for designating their employees that are considered Essential Employees and providing said designation to Emergency Management, Personnel, and the Treasurer offices. This designation list must include the names and contact information of all employees designated as Essential Employees during emergency closings. The County recognizes that public safety will be foremost in the development of departmental emergency action plans and that the designation of Essential Employees may change depending on the event.

- d. Non-Essential Employees are regular full-time and part-time employees that are not required to work during emergency closings (hereafter “Non-Essential Employees”).
 - e. San Patricio County will provide paid leave for Essential and Non-Essential Employees in the event of certain emergencies including, but not limited to, hurricanes, tornados, floods and other Acts of God; nuclear, chemical and biological emergencies, terrorist attack, or any other emergency declared by a federal, state, or local authority. Compensation received by any county employee will be determined based on whether the employee is required to work during the emergency closure. Nothing in this policy shall be construed as changing the “at will” or exempt/nonexempt status of any person employed by San Patricio County.
2. **PROCEDURES**: San Patricio County Commissioners Court has adopted the following emergency closing procedures:
- a. Time permitting an emergency meeting of the San Patricio County Commissioners Court shall be held to consider official action. This will occur whenever in the opinion of the San Patricio County Judge, (or in County Judge’s absence) the most senior available County Commissioner, or Emergency Management Coordinator has reason to believe that an emergency situation exists or is imminent, and necessitates the closure of County facilities.
 - b. If in the opinion of the County Judge, (or in County Judge’s absence) the most senior available County Commissioner, insufficient time exists to hold an emergency meeting of the Commissioners Court, then that individual shall determine whether to close County facilities in whole or in part. The safety of county employees, citizens, and the interest of county services shall be taken into consideration when making this determination.
 - c. Once a decision has been made to close one or more county facility, the County Judge or the County Commissioner, or designated staff making the decision shall make every attempt to promptly notify local media and to inform citizens of such closure. Affected County Elected Officials or department heads will also be timely notified of the closure.
 - d. Each Elected Official or department head should determine and implement those actions necessary to protect employees, customers, visitors, equipment, vital records and other assets, particularly during the first three (3) days of the event and during restoration of operations.

- e. Each Elected Official/Department Head should maintain current contact information of their employees. Each Elected Official/Department head is responsible for designating their own employees and providing the name/contact information of Essential Employees to Emergency Management, Personnel, and the Treasurer offices by May 1st of each year.
- f. The County's operating status will be communicated to as many local television and radio stations as possible. San Patricio County will issue a telephone number that will provide general information on operating status along with our websites: co.san-patricio.tx.us, sanpatem.net, and the Texas Association of Counties (TAC) website: www.county.org.

3. **COMPENSATION:**

- a. In the event that an emergency closing is ordered by the County Judge or the Commissioners Court, all county employees will be categorized as either Essential or Non-Essential Employee.
- b. The Fair Labor Standards Act (FLSA) definition of **Hours Worked** and **Overtime**, as amended, are included below and shall be used during the emergency closure. These definitions shall likewise apply to exempt Essential Employee during the emergency closure.
 - (i) **“Hours Worked”**: Hours Worked shall solely include all the time during which an exempt or non-exempt employee is required to be on the County’s premises, on duty, or at a prescribed workplace (hereafter “Hours Worked”).
 - (ii) **“Overtime”**: Exempt and nonexempt Essential Employees shall receive Overtime pay for Hours Worked over 40 per workweek (any fixed and regularly recurring period of 168 hours – seven consecutive 24-hour periods) at a rate not less than one and one-half times the employee’s regular rate of pay. The FLSA does not require overtime pay for work on weekends, holidays, or regular days of rest, unless Overtime is worked on such days (hereafter “Overtime”).
 - (iii) **“Leave with Pay”**: Compensation received for any time not worked and is not considered Hours Worked for the purpose of calculating Overtime. Leave with Pay solely replaces time not worked during the employee’s regularly schedule pay period. Under no circumstances will credit given for time not worked be used to determine eligibility for Overtime (hereafter “Leave with Pay”).

For example: During the emergency closure, Bill (a regular full-

time Non-Essential Employee) is not required to report to work Monday through Thursday of his 40 Hours Worked workweek. Bill however is declared an Essential Employee on Friday of the same workweek and is required to work on Friday for 10 Hours Worked. Bill's hours shall be reported as 30 hours Leave with Pay and 10 Hours Worked. Bill is not entitled to Overtime as his Hours Worked (10 hours) did not exceed the required 40 Hours Worked per workweek. The same would be true if (instead of Friday) Bill was required to work 10 hours on Saturday as FLSA does not require Overtime pay for Hours Worked on weekends, holidays, or regular days of rest, unless Overtime (Hours Worked over 40 hours) is worked on such days.

c. Non-Essential Employees:

- (i) Non-Essential Employees will receive Leave with Pay at their regular rate of pay for time not worked as the day(s) will be recorded as an official closed day(s). Leave with Pay received for any time not worked is not considered Hours Worked for the purpose of calculating Overtime and solely replaces time not worked during the employee's regularly schedule pay period. Under no circumstances shall time not worked be used to determine eligibility for Overtime. **For example:** Bill worked 12 hours Monday but did not work the remainder of his workweek as an emergency closure was declared. Bill will receive 28 hours Leave with Pay and 12 Hours Worked for a workweek total of 40 hours. Bill is not entitled to Overtime as his Hours Worked (12 hours) did not exceed the required 40 Hours Worked per workweek.
- (ii) Part-time regular Non-Essential Employees will be compensated for time lost due to a closing. However, part-time temporary Non-Essential Employees will not be compensated for time lost due to a closing.
- (iii) Any Non-Essential Employee who is off or scheduled to be off on sick leave, FMLA or disciplinary leave without pay during a period of emergency closure shall have their leave recorded as such and such previously designated time shall not be changed to Leave with Pay.
- (iv) If a regular full-time Non-Essential Employee is instructed to report to work, the Non-Essential Employee shall be paid as an Essential Employee detailed immediately below.

d. Essential Employees:

- (i) Whenever there is an official emergency closure of all County operations, all Essential Employees (to include exempt or non-exempt employees) that are required to remain at work shall be compensated at their straight-time rate plus earned Overtime

(as calculated pursuant to FLSA Overtime) for the duration of the emergency closure for all documented Hours Worked. The maximum number of Hours Worked which may be recorded for any work day is limited to 24 hours per day during the first 72 hours of the emergency closure and 18 hours per day thereafter. **For example:** After an emergency closure was declared, exempt Essential Employee Beverly worked 55 hours. Beverly will receive 15 hours Overtime as her Hours Worked (55 hours) exceed the required 40 per workweek and FLSA's definition of Overtime applies to exempt Essential Employees during an emergency closure.

- (ii) Essential Employees are those who are required to stay at their assigned areas performing necessary tasks during the emergency, or those who may be asked to return to work after an immediate threat is over. The list for each department should be updated annually by May 1st. SECTION 2: EMPLOYEE COMPENSATION AND BENEFITS

A. EMPLOYEE PAYROLL

2A-1 FAIR LABOR STANDARDS ACT SAFE HARBOR

San Patricio County makes every effort to pay its employees correctly. Occasionally, however, inadvertent mistakes can happen. When mistakes do happen and are called to Human Resources Department or the Treasurer's Office attention, San Patricio County will promptly make any corrections necessary. Please review your pay stub when you receive it to make sure it is correct. If you believe a mistake has occurred or if you have any questions, please use the reporting procedure outlined below. If you are overpaid the county will make the necessary corrections at the next payroll.

Employees who are classified as non-exempt employees must maintain an accurate record of the total hours you work each day. It is the responsibility of each employee to verify that their time sheets are correct. Your time card must accurately reflect all regular and overtime hours worked; any absences, late arrivals, early departures, and meal breaks. Do not sign your time card if it is not accurate. When you receive each pay check, please verify immediately that you were paid correctly for all regular and overtime hours worked each work week.

Non-exempt employees, unless authorized by your supervisor, should not work any hours that are not authorized. Do not start work early, finish work late, work during a meal break, or perform any other extra or overtime work unless you are authorized to do so. That time worked is to be recorded on your time card. Employees are prohibited from performing any "off-the-clock" work. "Off-the-clock" work means work you may perform but fail to report on your time card. Any employee who fails to report or inaccurately reports any hours worked will be subject to disciplinary action, up to and including termination.

It is a violation of San Patricio County policy for any employee to falsify a time card, or to alter another employee's time card. It is also a serious violation of County policy for any employee, supervisor or official to instruct another employee to incorrectly or falsely report hours worked, or to alter another employee's time card to under- or over-report hours worked. If anyone instructs you to (1) incorrectly or falsely under- or over-report your hours worked, or (2) alter another employee's time records to inaccurately or falsely report that employee's hours worked, you should report it immediate to County Judge, 400 W. Sinton Street, Room 109, Sinton, Texas, 361-364-9302.

If you are classified as an exempt salaried employee, you will receive a salary which is intended to compensate you for all hours worked for the County. This salary will be established at the time of hire or when you become classified as an exempt employee. While it may be subject to review and modification from time to time, the salary will be a pre-determined amount that will not be subject to deductions for variations in the quantity or quality of the work you perform.

For exempt employees, your salary may also be reduced for certain types of deductions such as your portion of health, dental or life premiums; state, federal

or local taxes, social security, retirement; or, voluntary contributions to a deferred compensation plan. In any workweek in which you performed any work, your wages may be reduced for any of the following reasons: 1) absence from work for one or more full days for personal reasons, other than sickness or disability; or 2) full day disciplinary suspensions for infractions of our written policies and procedures; or 3) full day for violating safety rules of a major significance; or 4) Family and Medical Leave or Military Leave absences; or 5) to offset amounts received as payment for jury and witness fees or military pay; or 6) the first or last week of employment in the event you work less than a full week.

If you are an exempt employee, in any workweek in which you performed any work, your salary will not be reduced for any of the following reasons: 1) partial day absences for personal reasons, sickness or disability; or 2) your absence because the facility is closed on a scheduled work day; or 3) your absence because of the County's operating requirements; or 4) absences for jury duty, attendance as a witness, or military leave in any week in which you have performed any work; or 5) any other deductions prohibited by state or federal law.

Please note: it is not an improper deduction to reduce an employee's accrued vacation, personal or other forms of paid time off for full or partial day absences for personal reasons, sickness or disability.

If you have questions about deductions from your pay, please immediately contact your supervisor. If you believe you have been subject to any improper deductions or your pay does not accurately reflect your hours worked, you should immediately report the matter to County Judge, 400 W. Sinton Street, Room 109, Sinton, Texas 78387, 361-364-9302. If you are unsure of who to contact or if you have not received a satisfactory response within five business days after reporting the incident, please immediately contact the County Attorney (include address and phone number). Every report will be fully investigated and corrective action will be taken where appropriate, up to and including discharge for any employee(s) who violates this policy. In addition, the County will not allow any form of retaliation against individuals who report alleged violations of this policy or who cooperate in the County's investigation of such reports. The time sheet prepared by the employee shall show an accurate record of all time worked and leave taken, whether paid or unpaid, for the pay period. Time sheets are governmental documents and as such require accurate and truthful information. Falsifying a time sheet, a governmental record is a criminal offense.

2A-7 PAY PERIODS

The pay period for San Patricio County employees shall be a semi-monthly pay period with the pay period dates established by the Commissioners' Court. If a payday falls on a holiday or a weekend, paychecks shall be issued on the last workday immediately preceding the holiday or weekend.

Employees wanting to be on direct deposit have a 90 day waiting period from date of hire for process to take place.

2A-8 WORK SCHEDULES

The normal hours of work for most positions in the County shall be from 8:00 a.m. until 5:00 p.m., Monday through Friday. Each department head shall determine the exact working schedules for their employees. In order to meet the needs of the County, certain departments or employees may be required to work a schedule that varies from the normal work schedule, or they may be subject to call back in case of emergency or special need.

2A-9 HOURS WORKED

Hours worked shall include all time actually spent in the service of the County as defined in the Fair Labor Standards Act (FLSA) and its regulations. The workday for the County shall begin at 12:01 a.m. each day and end 24 consecutive hours later.

2A-10 LAW ENFORCEMENT PAY AND OVERTIME

San Patricio County Commissioners Court has adopted the 207(k) exemption under the Fair Labor Standards Act for law enforcement employees, which includes deputies and jailers. These employees have a work period of 28 days

and overtime will be due after 171 hours actually worked. Law enforcement employees' salary covers all hours up to 171 hours. Paid leave shall not be counted in determining if overtime has been worked in any workweek. Except in emergency situations, an employee shall be required to have authorization from their supervisor before working overtime.

2A-11 OVERTIME CALCULATIONS AND RULES

Overtime shall include all time actually worked for the county in excess of 40 hours in any workweek, with the exception of law enforcement (See policy on "Law Enforcement Pay and Overtime").

Paid leave shall not be counted in determining if overtime has been worked in any workweek. Except in emergency situations, an employee shall be required to have authorization from his/her supervisor before working overtime.

Overtime compensation shall be paid pursuant to Fair Labor Standards Act (FLSA), as amended, at a rate not less than one and one-half times the employee's regular rate of pay. FLSA's definitions of Hours Worked and Overtime, as amended, shall be used at all times.

2A-12 DEMOTIONS

Demotions are the movement of an employee from one position to another with a decreased responsibility or complexity of job duties or to a lower salary. Elected officials, appointed officials or department heads may choose to demote or re-assign any employees who are unable to meet performance requirements, for disciplinary reasons or for any other reason as deemed necessary by the official. Upon demotion, an employee's salary may be adjusted downward.

2A-13 TRANSFERS

Transfers are the lateral movement of an employee from one position to another with the same responsibility or complexity of job duties with no change in salary. Elected officials, appointed officials or department heads may transfer an employee in their department to a vacant position. All transfers must be handled in accordance with the budget adopted by Commissioners Court. If a county employee transfers to another county position they transfer all leave balances to the new position.

2A-14 PROMOTIONS

Promotions are the movement of an employee from one position to another with an increased responsibility or complexity of job duties, and to a higher salary. Elected officials, appointed officials or department heads may promote an employee in their department to a vacant position. All promotions must be handled in accordance with the budget adopted by Commissioners Court.

2A-15 SEPARATIONS

A separation shall be defined as any situation in which the employer-employee relationship between the County and a County employee ends. All separations from San Patricio County shall be designated as one of the following types: 1) resignation; 2) retirement; 3) dismissal; 4) reduction in force; or 5) death.

A resignation shall be classified as any situation in which an employee voluntarily leaves his/her employment with San Patricio County and the separation does not fall into one of the other categories. Employees who are resigning should submit a written notice of resignation to his/her supervisor.

A retirement shall be any situation in which an employee meets the requirements to collect benefits under the County's retirement program and voluntarily elects to leave employment with the County to do so. An employee who is retiring should notify his/her supervisor of that intent at least 30 days prior to the actual retirement date to help prevent delays in starting the payment of retirement benefits.

A dismissal shall be any involuntary separation of employment that does not fall into one of the other categories of separation. San Patricio County is an "at will" employer and a supervisor may dismiss an employee at any time for any legal reason or no reason, with or without notice.

An employee shall be separated from employment because of a reduction in force when his/her position is abolished or when there is a lack of funds to support the position or there is a lack of work to justify the position.

A separation by death shall occur when an individual dies while currently employed by the County. If an employee dies while still employed by the County, their designated beneficiary or estate shall receive all earned pay and payable benefits.

2A-16 RETIREE REHIRES

Retired employees shall be eligible to apply for open positions with San Patricio County as long as the following provisions are met: 1) The retiree has been retired for at least three (3) full calendar months, 2) No prior arrangement or agreement was made between San Patricio County and the retiree for re-employment, and 3) strict adherence to normal leaving employment procedures were followed at the time of the employee's retirement.

The retiree must have a bona fide separation of employment and have been retired for a minimum of three (3) full calendar months. A bona fide separation means there is no prior agreement or understanding between San Patricio County and the retiree that the retiree would be rehired after retirement. According to Rule 107.4 adopted by the TCDRS Board of Trustees, restrictions apply to elected officials, people employed for the same or different position in the same or different department, employee status changes, and independent contractors.

Newly elected officials who have recently retired from the county may not be able to draw their retirement if it is determined that they had prior arrangement to return to work for the county. Employees also cannot retire with an agreement to go work in a different department or different position. Changing employee status does not matter when determining if someone is still working for the county. Also, an employee cannot retire from the county with an arrangement to begin work as an independent contractor either.

Rehired retirees who did not have a bona fide separation of employment may owe a 10 percent excise tax and be required to repay all of their monthly retirement payments. Abusing the retirement provisions in such a manner would violate a qualification requirement for retirement plans under Section 401(a) of the Internal Revenue Code, potentially resulting in significant tax consequences for the employer, its participating members and those retired employees.

Any retiree who meets all other TCDRS requirements, who is rehired consistent with this policy, must establish a new membership with TCDRS and will be considered to be a new member for the purposes of beneficiary determination and benefit selections.

2A-17 Fair Labor Standards Act (FLSA) Compensation for Waiting Time verse Remain at Home On-Call.

1. Waiting Time: Whether waiting time is hours worked under the Act depends upon the particular circumstances. Generally, the facts may show that the employee was engaged to wait (which is work time) or the facts may show that the employee was waiting to be engaged (which is not work time). For example, a secretary who reads a book while waiting for dictation or a fireman who plays checkers while waiting for an alarm is working during such periods of inactivity. These employees have been "engaged to wait."

2. On-Call Time: An employee who is required to remain on call on the employer's premises is **working** while "on call." An employee who is required to remain on call at home, or who is allowed to leave a message where he/she can be reached, is **not working** (in most cases but see below) while on call. These additional constraints below on the employee's freedom could require this time to be compensated:
 - a. Geographic Limitations – requiring the employee to stay within 5-minute drive of a worksite would likely be viewed as a constraint of the employee being able to enjoy their time off. Whereas remaining in the County might not.
 - b. Movement Restriction – if the employee is required to remain at home during On-Call Time, it is likely that the DOL would view as compensable on-call time.
 - c. Response Time – Requiring a response time of 45 minutes or less has been viewed as overly restrictive.
 - d. Uniform Requirement – If an employee is required to remain in uniform, then this is often viewed as evidence that the employee's personal time is restricted.
 - e. Frequency of Calls – more calls usually results in findings that the employee should be compensated during idle time between calls.

If a holiday falls during an employee's vacation then the employee will not be charged for the vacation.

If an employee has worked for at least six (6) months in a position which accrues vacation at the time the employee resigns, is discharged, or is terminated for any other reason, the employee shall receive pay for all unused vacation up to the maximum allowed under this policy.

Each employee shall be responsible for accurately recording all vacation time used on their time sheet.

2B-4 SICK LEAVE

All full time regular employees shall be eligible for the paid sick leave benefit.

Eligible employees shall accrue sick leave at a rate of four (4) hours per pay period. Accrual of sick leave shall start at the time an individual begins work for the County in a position eligible for the sick leave benefit.

Part time regular employees shall be eligible for the paid sick leave benefit on a pro-rated benefit.

The maximum amount of unused sick leave a full time regular employee shall be allowed to carry over every year will be four-hundred eighty (480) hours. A part time regular employee will carry over at a pro-rated benefit.

Sick leave may be used for the following purposes: 1) illness or injury of the employee; 2) appointments with physicians, optometrist, dentists, and other qualified medical professionals; or 3) to attend to the illness or injury of a member of the employee's immediate family. For purposes of this policy, immediate family shall be defined as spouse, child, parent, or other relative living in the employee's home who is dependent on the employee for care.

When sick leave is to be used for medical appointments, an employee shall be required to notify his/her supervisor of the intent to use sick leave as soon as the employee knows of the appointment. If use of the sick leave is not known in advance, an employee shall notify his/her supervisor of the intent to use sick leave with 15 minutes of the employee's normal time to begin work, when

practicable. Where it is not practicable to notify the supervisor within 15 minutes of the normal starting time, the employee should notify that the situation will cause the employee to miss more than one day of work, the employee should notify his/her supervisor of the anticipated length of absence. The employee will be placed on FMLA, if event and employee is eligible. If an employee uses three (3) or more consecutive days of sick leave, the supervisor shall have the right to require a physician's statement or some other acceptable documentation of injury or illness, for either the employees own illness or the illness of an immediate family member. Employees who have a pattern of abusing sick leave may be required to provide a physician's statement for those absences as required by their supervisor.

Employees shall not be allowed to borrow sick leave against future accruals. Employees shall not be paid for unused sick leave at the termination of employment.

Sick leave may not be used as vacation or any other reason not addressed in this policy.

2B-13 LEAVE OF ABSENCE - OTHER

A. LEAVE OF ABSENCE POLICY DUE TO COVID-19, AND THE LIKE

The primary goal of the Commissioners Court is the health and safety of our employees, their families and our citizens today and in the future. Therefore, in order to address the recent pandemic known as COVID-19, and the like, the

Commissioners Court authorizes the following guidelines to become part of the San Patricio County Employee Handbook:

1. **Employee Personal Travel to Areas with Confirmed Cases of Outbreak of Infectious Disease: COVID-19, and the like**

Employees engaging in personal travel should carefully consider their plans and monitor the evolving health situations prior to travelling. While we recognize that personal travel decisions are your choice, we urge you to carefully consider those decisions to avoid personal risk to you or your families. In particular, be aware of possible travel and screening restrictions and that possible incidences of exposure in restricted or high-risk areas may result in quarantine procedures in those countries. Further, we ask that supervisors refer employees to Human Resources if returning from travel outside of the United States so we can ensure proper return to work procedures are followed. Human Resources will work with the County's Public Health Preparedness Department to establish proper return to work procedures.

2. **Tips to Minimize Business Disruptions**

- a) Ensure employee contact information is up to date.
- b) Have backup plan for staffing if employee (or employees) fall ill.
- c) Maintain a list of essential personnel and ensure that the San Patricio County Emergency Management and Human Resources have a copy.
- d) Have plenty of disinfecting wipes/spray, tissues & hand sanitizer for employee and public use.
- e) Confirm that your staff understands that safety/health is our primary concern.
- f) Reinforce hand washing & housekeeping with all staff members.
- g) Elected Officials/Department Heads have permission to send sick employees home; short-term inconvenience is better than widespread illness. **However, only Elected Officials can grant Leave with Pay (LWP) for their employees.**

3. **Americans with Disabilities Act (ADA)**

- a) The ADA gives an employee the right to privacy in his/her medical condition.
- b) If the employee informs the supervisor that he or she has a communicable disease that will affect his or her performance on the job, Human Resources can require a medical exam or health certification to confirm the illness, just as it can with any

other ADA disability. If the medical exam is requested, then the employee will be responsible for making the appointment with their physician, the claim would be filed on the employee's insurance and any expense would be paid by the employee.

- c) If an employee is close contact to someone who is a "presumptive positive" or tests positive for COVID-19, and the like, the employee may be sent home until the other person's test results are returned as negative or until their quarantine expires, whichever is first. Contact Human Resources for specific instruction.
- d) If an employee does not tell his or her supervisor that he or she has a communicable disease, the employer's options are much more limited. Suspicion of a communicable disease is not enough to justify inquiry or a medical exam.
- e) However, if the employee reports to work with a wheezing cough, complains of chills and aches and the employee has recently traveled to areas with confirmed cases of outbreak of an infectious disease (i.e. in the COVID-19 pandemic, Europe, the Middle East or Asia identified areas), the supervisor shall direct the employee to go to his/her doctor and/or local health department. Then contact the Human Resources. Again, the employee will be responsible for making the appointment with their physician, the claim would be filed on the employee's insurance and any expense would be paid by the employee.
- f) Decline to give specifics about employee's medical condition to other employees.
- g) San Patricio County is permitted to disclose needed protected health information to a public health authority, such as the CDC or a state or local health department, that is authorized by law to collect or receive such information for the purpose of preventing or controlling disease. (Source: Office for Civil Rights, U.S. Department of Health and Human Services, February 2020)

4. **Procedures Following Testing for COVID-19, and the like:**

- a) If an employee displays symptoms and/or is directed by a physician or medical provider to be tested for COVID-19, and the like, the County's return to work procedure requires that the employee not return to work until receiving negative test results.
- b) If, however, the employee initiates testing but is not directed by a physician or medical provider and is without symptoms closely connected to COVID-19, and the like, the County's return to work procedure requires that the employee return to work and wear a face covering, as necessary, without waiting on test results.

5. **Paid Leave of Absence**

- a) **Elected Officials only can grant Leave with Pay (LWP) for their employees.**
- b) If an employee is placed on a 14-day quarantine due to a “presumptive positive”¹ or positive COVID-19, and the like, test result of their own or due to someone to which the employee had close contact and a physician or medical provider recommends self-quarantine for the employee, and they are not able to work from home, the employee shall be paid LWP hours. (Note: Medical certification is required.)
- c) However, if an employee only displays signs of illness such as common cold or influenza but is not suspected to have been exposed to COVID-19, and the like, or tests negative for COVID-19, and the like, the employee shall use their accrued time and may return to work after 24 hours of being symptom-free.
- d) In the event the County Judge closes county facilities and activates San Patricio County’s Multi-Jurisdictional Basic Emergency Management Plan, employees who are not able to work from home, will be paid according to “Weather Closing and Emergencies” section of the San Patricio County Employee Manual.

San Patricio County has a strong commitment to safety and the overall health and well-being of all employees and their families. We will continue to evolve our policies as the COVID-19, and the like, develops. Attached and incorporated for all purposes is the County’s Health Authority, Dr. Mobley, MD, recommendations presented to the Commissioners Court on June 29, 2020.

B. Leave without Pay:

Employees may request a personal leave of absence to a maximum of thirty (30) days. Personal leaves of absence may include reasons such as extended vacations, continuing education, extended bereavement, or other personal matters. Personal leaves of absence are granted solely at the discretion of the elected official or appointed official. Employees on personal leaves of absence are converted to an inactive status and do not accrue any benefits. Employees may continue the county health plan but they are responsible for the entire premium, which includes both their portion and the county portion. The employee must pay for the premium on the first of each month, lack of payment will result in medical plan termination and the employee will become eligible for

¹ ***Presumptive Positive*** is a term used by the CDC and refers to individuals with at least one respiratory specimen that tested positive for the virus that causes COVID-19 at a state or local laboratory. Whereas a laboratory-confirmed COVID-19 cases are individuals with at least one respiratory specimen that tested positive for the virus that causes COVID-19 at a CDC laboratory.

2B-15 LONGEVITY PAY

A. Continuous employment is defined as the length of time a person has been employed by the County provided that there is no break in employment. A break in employment is defined as the severance of the employer-employee

B. Longevity Pay: An employee will twelve or more months of continuous employment with the County will be compensated in the following manner:

1) Regular full time employee: Employees will be compensated at the rate of \$3.00 per month for each year of continuous service p to maximum of twenty years. The employment anniversary date of the employee determines whether employee receives the additional \$3.00 per month.

2) Regular part time employees will be compensated at the rate of \$3.00 per month of every computed full time employment year up to a maximum of twenty years beginning on the 2nd anniversary and continuing every 2 years that an employee maintains regular part time employee status.

The above policy will apply to all County Departments with the following deviation for the Sheriff's Department. All non-clerical employees of the Sheriff's Department will receive \$5.00 per month for every year of continuous service up to a maximum of twenty years, with the exception of the sheriff's department clerical staff (which will follow the standard longevity pay policy).

If a County Employee transfers from standard longevity rate to law enforcement longevity rate, time earned under the standard rate will continue to be compensated at the standard rate and the law enforcement rate will commence on the next anniversary date provided the employee has not met the maximum rate.

If a County employee transfers from law enforcement rate to standard longevity rate, time earned under the law enforcement rate will continue to be compensated at the law enforcement rate and the standard rate will commence on the next anniversary date provided the employee has not met the maximum rate.
