**THIS PERMITS IS VALID FOR ONE (1) YEAR AND MUST BE RENEWED IF DEVELOPMENT IS NOT COMPLETE**

**ATTENTION:** The flood insurance rate maps and other data used by the County in evaluating flood hazards to proposed developments are considered reasonable and accurate for regulatory purpose. Floodplain determinations are based solely on the property owner's indication of the proposed home-site. The County cannot guarantee the property will not flood. Ultimate responsibility of locating the home/structure outside of the floodplain rests with the property owner. The county recommends the property owner contact a surveyor prior to construction for precise determination.

**ACKNOWLEDGEMENT:** I may be required to provide more information/documentation. I certify I am the property owner and/or designated agent and above statements are true and correct .I will meet all requirements stated on this application in order to be in compliance of the Flood Damage Prevention Order of San Patricio County, or I will be in violation of the Flood Damage Prevention Order and may be subject to a civil/criminal penalty.
